Hello Kenny Families,

Thank you to all the families who attended the Fall Festival Friday night. Families had a great time and the turn-out was amazing. Parents Kathy McKay and Kim Leistikow did a fantastic job organizing the event. It goes to show how important the Kenny Volunteers are and what an impact they have on our community.

All of the children in the school have been participating in a number of different assessments this fall. You will receive detailed information on how your child has done on the assessments at your conferences the next few weeks. There will be detailed information on the assessments Kenny children take in the student calendar-handbook that you will receive soon.

I was able to make a presentation on the testing results from last spring and 2014-2015 academic and climate goals at the “State of the School” presentation on Curriculum night. If you missed that presentation, the PowerPoint is posted on the Kenny website.

Please check your child’s backpack today as Community Education registration information for fall went out today. Also, if your child is invited to Area Learning Center (ALC), those invitations were sent out today.

Finally, the district will be replacing sections of the school roof the next couple of weeks. The district will work to minimize the smells that get into the building, but they can’t be completely eliminated. We will hope for good weather so the project can be completed quickly.

As always, thanks for all you do to make Kenny the amazing community school we have.

The staff is respectfully requesting students be dropped off at the front door in the morning.

Children have morning work assignments that need to be completed before the morning meeting that starts at 8:10. Thank you for your help with this as it allows us to give your children our undivided attention for greetings and assistance with morning work and routines.

Send Information to School when:

3. You student is using a different bus stop.

4. Your student is going home with another student. (Note: we need notification from BOTH families).

Information will be sent home when:

1. Your student has been added to a bus route.

2. The bus stop for your student has had a change in location.

3. The IN bus stop for your student has had a cumulative time change of five minutes or more.
