Phillips Eye Institute  
Vision Screening  
When: Thursday, February 7, 2019  
Who: Kindergarten, 1st, 3rd and 5th Grades

Kindergarten, 1st, 3rd and 5th graders will be having their vision screened at school on February 7th by the Phillips Eye Institute. While this screening is designed to identify issues with your child’s vision, it is not considered a full eye exam.

Parents/guardians will be notified if a child does not pass the screening test. At that time, your child should be seen by an eye care professional to further evaluate their vision.

The Early Youth Eyecare (E.Y.E.) Community Initiative, an outreach program of the Phillips Eye Institute, part of Allina Health, provides the screening and coordinates follow-up to ensure students receive timely access to eye care. The follow-up includes providing interpreter service, transportation, and financial assistance with eye exams and glasses, as necessary. The E.Y.E. Community Initiative is designed to help remove vision issues as a barrier to learning.

Kenny Community School is proud to announce our continuing collaboration with 1000 Petals. Many of you might remember the six-week residency program we did two years ago at Kenny with Kathy Flaminio and her staff teaching Moving and Learning (often known as Yoga Calm). Due to the overwhelming positive feedback we received from students, parents and staff, we have decided to collaborate again with 1000 Petals for a refresher course.

Moving and Learning is a school-wide program that teaches students skills in developing self-regulation, how to manage strong emotions and build physical and emotional strength. It is used by thousands of educators, parents and therapists nationwide. Supported by the latest research in neuroscience and social/emotional learning, the curriculum assists us in strengthening our educational environment to improve children’s focus, behavior skills, physical health and emotional stability.

You’re Invited!

Tuesday, February 5, 2019 from 6:30-7:30pm in the Kenny Media Center

Kathy Flaminio will join us in a discussion focused on mindfulness, and will demonstrate various exercises and breathing techniques that help increase concentration and self-regulation.

Ask your student about breathing with the Hoberman Sphere or listening for the silence of the chime. Have them demonstrate Volcano Breath and other stretching exercises to help them be grounded.

We hope to see you there!

ATTENDANCE:

Call the Attendance line (612-668-3346) when your student will be absent.

Doctors or dentists notes should be brought into school when the student returns to the building. Your help with this is appreciated.

STUDENT DROP OFF:

Children will be admitted into the building at 7:50am. Please plan your drop off time accordingly!

Please be courteous of other drivers and USE CAUTION when pulling away from the curb!

The staff is respectfully requesting students be dropped off at the front door #1 in the morning.

- Teachers need to be able to greet and assist children.
- Children have morning work assignments that need to be completed before the morning meeting that starts at 8:10am.

Thank you for your help with this as it allows us to give your children our undivided attention for greetings and assistance with morning work and routines.

All adults entering the building must sign in at the office.

TRANSPORTATION:

Send Information to School when:

1. You have an address or daycare change.
2. If you are picking up your child and they usually ride a bus, they must be signed out in the office even with advanced notice.
3. Your student is using a different bus stop.
4. Your student is going home with another student. (Note: we need notification from BOTH families).

Information will be sent home when:

1. Your student has been added to a bus route.
2. The bus stop for your student has had a change in location.
3. The IN bus stop for your student has had a cumulative time change of five minutes or more.

Changes can become effective any day of the week so watch for the effective dates on the notices sent home with your student.

BUS PASSES: Bus passes are REQUIRED to board a bus that is normally not a student's assigned bus. We request notes be turned into the office as early in the day as possible.

We need notes from both sets of parents/guardians i.e. the parent/guardian of the student taking a different bus or using a different stop and the parent/guardian of the student they are traveling with.

The note should include:

- Student’s FIRST and LAST NAME
- FULL name of student they are riding with
- Date of request
- Signature of parent or guardian

A bus pass may not be able to be honored if we have not received two permission forms or if the bus requested is full.
