

Special Edition Newsletter 01-8-21

Hello Kenny Families,

I am excited to share that in-person learning will be offered to elementary children in February. Families will need to complete an on-line registration and designate whether you are choosing to remain in Distance Learning or start in-person learning. The Distance Learning will continue to be taught by Kenny teachers.

In preparation for in person learning, there will be no school February 1-5. Given that information, we are changing January 15th to a regular Distance Learning Day for grades for grades 2-5. Grades K-1 will remain Async days on January 12 and 15th to allow for one on one assessments with teachers. January 25 will become a regular Distance Learning day for all grades K-5.

This is the link to a district information page that has transition and safety protocols: https://b2s.mpls.k12.mn.us/Phase5_FAQ There is also a link to the registration site in the second paragraph. As we work to support the education of all Kenny children, there could be changes to groupings due to the combination of Distance and In-person learning.

We are very excited to be offering in-person learning. As always, thanks for all you do the make Kenny the amazing community school it is.

Bill Gibbs, Principal
